STAY COOL AND EFFICIENT WITH EVERGREEN POWER UK

Evergreen Power UK brings you premium **Bosch air conditioning** built for comfort, efficiency, and reliability. Expertly designed, installed, and maintained for homes and businesses across the UK.

WHY AIR CONDITIONING?

This isn’t just cooling—it’s comfort all year. Enjoy perfectly balanced temperatures, cleaner air, lower energy bills, and a healthier indoor environment. Cool in summer. Warm in winter. Always just right.

BOSCH POWER & PERFORMANCE

Quiet. Smart. Efficient. Bosch AC units deliver high seasonal efficiency, whisper-quiet operation, precision control, and stylish designs—backed by a trusted warranty and world-class engineering.

THE 0% VAT ADVANTAGE

Why pay more? With 0% VAT on energy-efficient AC installations, you save up to 20% instantly. No hidden costs. No paperwork headaches. Just bigger savings from day one.

SOLAR + BATTERY + AC = GAME CHANGER

Run your AC on sunshine. Store excess power for evenings and cloudy days. Let smart energy management keep costs low and comfort high—without relying on the grid.

BENEFITS YOU CAN FEEL (AND SEE)

Lower electricity bills | Beat peak-time tariffs | Faster payback on investment

Boost property value | Cut your carbon footprint

WHY EVERGREEN POWER UK?

We're MCS, NAPIT, EPVS & HIES certified. Bosch-approved. Solar experts. From design to aftercare, we handle it all—with clear pricing and zero surprises.
